REQUEST FOR EXTENSION OF DRILLING REQUIREMENT UNDER GEOTHERMAL
STEAM LEASE ML 31392

Phillips Petroleum Company, lessee under the geothermal steam lease listed above, has requested a five-year extension in which to commence drilling operations under this geothermal steam lease. This lease was issued December 23, 1974, for a term of ten years. Section 10 of these lease provides as follows:

10. Development of Leasehold Estate: Lessee agrees to commence drilling operations on a well at an appropriate location within the leasehold estate within five (5) years from the date hereof, and to prosecute the drilling with reasonable diligence until products are discovered in sufficient commercial potential, or to a depth below which further drilling would be unprofitable in the written opinion of the Lessee issued to the Lessor. Such five (5) year period may be extended by the Lessor for a period not to exceed five (5) years upon written application by Lessee showing good cause therefor not more than ninety (90) days nor less than thirty (30) days prior to expiration of the initial five (5) year period. At any time within said five (5) year period, Lessee may surrender its rights under this lease and agreement. Lessee also shall have the right to drill such well or wells on the leasehold estate at such location or locations deemed desirable by Lessee upon thirty (30) days notice in writing, which location or locations shall not unreasonably interfere with rights of holders of lease or leases and special use permits from the State of Utah. No well shall be drilled within 100 feet of the boundary line of the leasehold nor within 100 feet of any building on the surface of the leasehold without written permission of the Lessor.

Phillips Petroleum Company, has been active in geothermal exploration in Southwestern Utah; and these lease are part of a larger block of State, Federal, and private lands being explored by Phillips Petroleum Company.

Phillips Petroleum Company, has been very diligent in conducting geothermal exploration in ML 31392. Upon recommendation of Mr. Prince, the Director approved the five-year extension of the drilling requirements as requested.

OCTOBER 1, 1979

DIVISION ORDER FOR TEXACO-TRIBAL 3-1 WELL IN SECTION 3, TOWNSHIP 4
SOUTH, RANGE 6 WEST, USM., ALTAMONT COMMUNICATION AGREEMENT NO. 31 *OSP ubl*

Koch Exploration, Inc., operator of the above-captioned well has submitted a division order covering production from this well. This division order correctly shows the interests of the State of Utah in this well.

All royalty from this well should be credited to ML 35468.

Upon recommendation of Mr. Prince, the Director accepted this division order.

REQUEST FOR APPROVAL OF MIDDLE CANYON UNIT *OSP ubl*

Coseka Resources (USA) Limited, operator of the Middle Canyon Unit, has submitted this unit for approval by the State of Utah.

The Middle Canyon unit is located in the Southeast corner of the Uinta Basin. The unit area is about 50 miles south of Ouray, Utah. PR Springs are in the northwest corner of the unit. The unit area contains 24,093.70 acres of which 21,315.19 acres or 88.47 percent are Federal lands and 2,778.51 acres or 11.53 percent are State lands.

The Middle Canyon Unit agreement provides that the operator will, within six months of the effective date of the unit, commence the drilling of a well of a depth sufficient to test the top 200 feet of the Dakota formation, but not to exceed a depth of 7670 feet.

This unit is on the standard unit form and contains the necessary State lands provisions.

The approval should provide that production from the Arco State No. 2-1 well in the NE $\frac{1}{4}$ SE $\frac{1}{4}$ Section 2, Township 16 South Range 24 East, SLM., and from the Arco State No. 2-2 well in Lot 4 (NW $\frac{1}{4}$ NW $\frac{1}{4}$) Section 2, Township 16 South, Range 24 East, SLM., will not be considered unit production since both of these wells were drilled and completed as producing gas wells prior to the consideration of this area for unitization under this unit. These wells are on lands included in ML 22208, Tract 29.

The following are the State of Utah oil and gas leases included in this unit:

ML 21613	Grace Petroleum et al
ML 21907	Atlantic Richfield Company
ML 22208	Atlantic Richfield Company
ML 27721	Texaco Inc.
ML 27770	Pacific Transmission Supply Co., et al
ML 27804	Pacific Transmission Supply Co., et al

Texaco Inc. and Pacific Transmission Supply Co., et al., have committed their interests to the unit. The other State lessees have not yet decided if they will join the unit. The approval should provide for their future joinder.

Upon recommendation of Mr. Prince, the Director approved this Unit.

CANCELLATION OF GRAZING LEASES *KUH*

GL 16877, GL 20165 Fairview Land & Livestock Inc., Mt. Pleasant, Utah
GL 19865, GL 17154 has requested the cancellation of these grazing leases
as of December 31, 1979. These grazing leases are to
be consolidated into one lease, GLA 21423, effective
January 1, 1980. Upon recommendation of Mr. Higgins, the Director approved
the cancellation of these grazing leases.
